

*A house of prayer for all people*

**IN ALL SEASONS**

---

Capital Campaign 2022

Dear Friends of the Cathedral,

Two years ago, the leadership of this Cathedral set out a vision for our ministry. Our strategic plan included a resolve to take a leading role in the post-pandemic spiritual renewal of the city and the diocese; claim our vocation to convene conversation and work across differences in our neighborhood; strengthen the civic fabric and renew hearts and minds by hosting events at the intersection of arts, education, and faith.

Our Cathedral is so well situated, and our staff, chapter, and congregations so convicted of our calling, that we turn to you to partner with us in making this vision a reality. Replacing failing HVAC systems and installing lifts in office buildings is not glamorous, but it is essential for our staff and visitors and in order to welcome new programs and non-profit organizations into the space. Adding the capacity for zoned, efficient air-conditioning to the sanctuary and Sproat Hall on increasingly long and hot summer days opens up countless possibilities for hosting diocesan, civic, and arts events and allowing those without other places to stay cool a life-giving welcome.

We will be hosting a series of receptions so that we may share more personally with you the work to be completed and our fundraising plan. We welcome your presence and support of this undertaking.

Faithfully,

(The Very Rev.) Amy McCreath  
Dean of the Cathedral
